1. DoD UCAPL approval of the Polycom HDX 9000 Series, HDX 8000 Series, HDX
7000 Series, and HDX 4000 Series with Software Release 2.0.5_J, Video
Teleconferencing (VTC), TN 0815802 has been granted. Information Assurance
Accreditation (IAA) was granted by the Defense IA/Security Accreditation Working
Group on 10 March 2009. Please note that Services and Agencies are required to
certify and accredit their systems every three years. Interoperability Certification
(IOC) was granted on 25 March 2009 by the Joint Staff and expires on 25 March
2013 unless a critical issue is identified that invalidates either the IOC or the IAA
posture of this product as determined by the Joint Staff or the DISN DAA. Please
refer to the UCAPL for official posting of this solution at the following URL:
http://jitc.fhu.disa.mil/tssi/apl.html.

2. This product/solution must be implemented only in the configuration that was tested
and approved in the IOC letter and IA Accreditation Report (IAAR). The IOC letter
containing detailed configuration on this product will be available at the following
URL: http://jitc.fhu.disa.mil/tssi/cert_pdfs/polycom_hdx_205j.pdf. Due to sensitivity of
the information, the IAAR for this solution must be requested directly from the Unified
Capabilities Certification Office (UCCO).
